Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. 78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principal, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 14TH MARCH, 1930.

THE Committee of the Privy Council have had before them a report, dated 8th March, 1930, from the Minister of the Interior, submitting:—

That the Deputy Superintendent-General of Indian Affairs has made application for supplementary title to the timber on the following lands in the Province of British Columbia: Fractional Legal Subdivisions One and Eight and Legal Subdivision Nine of Section Thirty-one, Fractional Legal Subdivisions Four and Five and Legal Subdivision Twelve of Section Thirty-two outside Lot Forty-seven, in Township Fifteen, Range Twenty-six, west of the sixth meridian; area, 144.90 acres, more or less.

That the timber remaining on the said lands has been estimated at less than two thousand feet B.M. per acre, and of little value except as cordwood.

The Minister therefore recommends that under the provisions of the Order in Council dated the 5th day of October, 1926 (P.C. 1512), the control of the timber on the said lands be transferred to the Department of Indian Affairs.

The Committee concur in the foregoing recommendation and submit the same for approval.

DOMINION ORDERS IN COUNCIL.

P.C. No. 722.

CERTIFIED TO BE A TRUE COPY OF A MEETING OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 3RD, 1930.

THE Committee of the Privy Council have had before them a report, dated 19th March, 1930, from the Minister of the Interior, submitting that by Order in Council of the 18th June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is conducting extensive timber operations in the vicinity of Stave Lake in the Railway Belt, in the Province of British Columbia, was granted permission to export certain cedar logs for a period of six months; that owing to the congested state of the cedar market several extensions of time have been granted by Orders in Council to the aforementioned Company to continue exporting, the last extension having been authorized by Order in Council dated 21st August, 1929, for a period of six months from the 22nd July, 1929, and whereby the material exported was subject to the payment of dues at \$3 per thousand feet, B.M., on logs grading No. 1; \$2.50 per thousand feet, B.M., on logs grading No. 2; and \$2 per thousand feet, B.M., on logs grading No. 3, which dues are in excess of those charged under the Regulations governing the disposal of timber cut from licensed berths on Dominion lands.

The Minister states that this export privilege has worked out to the satisfaction of the local timber merchants as it enables a large quantity of low-grade cedar to be taken from the booms which is not in demand locally, and such action not only encourages the logging of a good deal of timber that would otherwise be unmerchantable but at the same time provides considerable employment for settlers and bushmen in the vicinity.

The Company has applied for a renewal of the permit stating that it is the intention to use the same for the export of low-grade cedar logs to the Japanese market only and thereby find a sale for

a class of material which it is impossible to dispose of to the domestic trade.

The Minister, therefore, believing it to be in the public interest, recommends that a further extension of six months from the 22nd January, 1930, be granted the Company to export cedar logs subject to the payment of dues as authorized by Order in Council of the 21st August, 1929, the operations to be subject to such conditions as he may determine and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

The Minister of the Interior. 460-ap17
